

# Power of Attorney (PoA) guidance

## Guidance for execution of Power of Attorneys (PoAs) on NotarEase

26 November 2024

For Power of Attorneys (PoAs) notarisation, please follow the following steps:

1. Prepare the document as per the Document Preparation Guide provided here: <https://www.notarease.com/DocumentPreparationGuide.pdf>
2. All signatories (including witnesses) must sign the document with hand-drawn signature (either physically or on a tablet / mobile phone using their finger / electronic pencil) before uploading the document on NotarEase.
3. The document will then be electronically signed and notarised on NotarEase as per the normal process that can be found on <https://notarease.com/resources>.

### **Disclaimer:**

- NotarEase is a platform where registered notaries can notarise documents. We are not liable for any inaccuracies or errors that may arise out of using NotarEase.
- NotarEase does not offer legal advice. Nothing on NotarEase shall be construed as legal advice. Please consult a qualified lawyer / advocate for legal advice.
